

Old Home Place

J.D. Crowe & The New South

Key of D Capo 2

Verse:

It's been ten long years since I left my home
In the holler where I was born
Where the cool fall nights make the wood smoke rise
And the fox hunter blows his horn
I fell in love with a girl from the town
I thought that she would be true
I ran away to Charlottesville
And worked in a sawmill or two

Chorus:

What have they done to the old home place?
Why did they tear it down?
And why did I leave my plow in the field?
And look for a job in the town?

Verse:

Well, the girl ran off with somebody else
The tariffs took all my pay

C **E7** **F** **C**
And here I stand where the old home stood
G **C**
Before they took it away

C **E7** **F** **C**
Now the geese fly south and the cold wind blows

G
As I stand here and hang my head

C **E7** **F** **C**
I've lost my love, I've lost my home

G **C**
And now I wish that I was dead
